CONSERVATION PERIOD

The personal data processed are kept, for each type of data, for the time strictly necessary to achieve the purposes indicated in the specific information, for which they were collected.

NAVIGATION DATA

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This is information that is not collected to be associated with identified interested parties, but which by their very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes, for example, IP addresses or domain names of computers used by users, parameters related to the operating system, etc. These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning (see the paragraph on cookies). The data could be used by the competent authorities to ascertain responsibility in case of hypothetical computer crimes against the site or, in any case, connected to navigation on any links. Data provided voluntarily by: the optional, explicit and voluntary e-mail addresses listed on this site involves the subsequent acquisition of the sender's need to respond to requests, and any other personal data included in the communication.
